

What about signed
numbers?

1/17/25

Administrivia

- MLK Day on Monday
 - Extra credit for attending the convocation at 11am and submitting a writeup
 - Class meets 1:20-2:05pm
- HW 2 (multichoose function in assembly) due Tuesday night

What is the value of the 8-bit twos-complement binary number 11101011?

- A. -107
- B. -23
- C. 107
- D. 225
- E. None of the above

What is the value of the 8-bit twos-complement binary number 11101011?

- A. -107
- B. -23
- C. 107
- D. 225
- E. None of the above (-21)

Give the binary representation of 9.125

(IEEE single precision representation)
